

TIREGUARD MAGNETIC SWEEPER

Dings Tireguard Magnetic Road Sweeper

shown with bracket mount

- ★ **Lifetime Guarantee** on magnetism
- ★ Easy to use with minimal maintenance
- ★ Prevents costly repairs and downtime
- ★ Power-packed magnet on wheels
- ★ Continuous attraction

- Removes nails, screws and other potentially damaging metal debris from parking lots, gravel roads, runways, shop floors streets, pathways, etc.
- Power-packed, permanent non-electric magnet.
- Provides continuous separating with low-maintenance, only requiring occasional wheel lubrication.
- Our Tireguard Magnetic Road Sweepers cost \$0 (zero dollars) to operate.
- Dings Tireguard Magnetic Road Sweeper's magnetic body is built inside welded heavy gauge steel and stainless steel.
- Bottom is flat and smooth stainless steel for easy wipe-off of attracted debris.
- Can be towed like a trailer, suspended on a bumper, mounted on the forks of a lift truck or pushed.
- Protects trucks, forklifts, cars, etc. from costly replacement of tires.
- Dings offers various models and sizes of Magnetic Sweepers to fit your specific requirements.

LIFETIME WARRANTY ON MAGNETISM

Dings Magnetic Sweepers are designed with permanent magnets. This means magnetism is guaranteed permanent and covered by a lifetime warranty.
